

At SBC Kenya Limited, the authorized producers of Pepsi-Cola products, food safety is fundamental to everything we do. We are committed to producing safe and quality carbonated soft drinks and primary packaging materials that consistently meet customer, statutory and regulatory requirements while protecting consumer health and strengthening stakeholder confidence through an effective Food Safety Management System aligned with FSSC 22000.

1. Our Food Safety Commitment

Establish, implement, maintain and continually improve an effective Food Safety Management System (FSMS) in accordance with FSSC 22000, consistently processing and packaging safe, quality carbonated soft drinks and primary packaging materials of Pepsi-Cola Company and meeting and exceeding our customer requirements.

2. Compliance and Food Safety Culture

Comply with all statutory and regulatory requirements, as well as the mutually agreed food safety and quality requirements of all stakeholders, and practise a positive food safety culture at all levels of production.

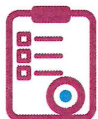

3. People, Communication and Competence

Develop the competence of our people through training, awareness and effective communication, ensuring SBC employees, contractors and relevant interested parties understand and fulfil their food safety responsibilities.

4. Objectives and Management Review

Establish SMART food safety objectives, and have top management review the FSMS at planned intervals to ensure its continued suitability, adequacy and effectiveness.

5. Governance and Continual Improvement

This Policy Statement provides the framework for establishing and reviewing our food safety objectives. It is communicated throughout the organization, made available to relevant interested parties, and reviewed periodically to ensure its continued suitability, adequacy, effectiveness and alignment with SBC's strategic direction.
